**Upcoming Program Events**
- May 14, 2018 (3-5pm) in 106 BBE: Genetics Program, 1st Year Rotation Talks (attendance expected and tracked of all GENE students)
- May 23, 2018 (1-3pm) in 2117 MERF: Genetics 2018 Annual Business Meeting (students and faculty welcome)

**Science Communication in the Digital Age Showcase**
Genetics students Alyssa Hahn, Ashley Parker, Kim Bekas, and Jake Schillo will present their final projects for this year’s “Science Communication in the Digital Age” course. This semester, students have learned the fundamentals of creating digital video, audio, and web communication. They have learned the principles of communication that make it possible to demonstrate to a wide public audience the value of research in the sciences.
- May 10, 2018 (Thursday) at 3-5pm in Room 214 Blank Honors Center (TILE classroom on the 2nd floor of BHC)

**Student Seminar** dates are as follows. Lunch will be provided. Read abstracts.
- May 14, 2018 (Monday) at 11:00am - 12:00pm, 1117 MERF: Emily Fox & Matt Cring
- June 4, 2018 (Monday) at 11:30am - 12:30pm, 106 BBE: Melissa Marchal & Kim Bekas
- June 18, 2018 (Monday) at 11:30am - 12:30pm, 106 BBE: Karen Clark & Adam Hefel
- July 9, 2018 (Monday) at 11:30am - 12:30pm, 106 BBE: Tanner Koomar & James Mrkvicka
- July 23, 2018 (Monday) at 11:30am - 12:30pm, 106 BBE: Ethan Bahl & Alex Greiner
- August 6, 2018 (Monday) at 11:30am - 12:30pm, 106 BBE: Kyle Gonsalves & Jill Hauer
- August 20, 2018 (Monday) at 11:30am - 12:30pm, 106 BBE: Ashley Parker & Jake Schillo

**Department of Biology Seminar Series** Spring seminar schedule can be found here
~ May 8, 2018 (Tuesday) at 4pm in 101 BBE - “Genetics control of a mouth form polyphenism in the nematode Pristionchus pacificus”, Linh T. Bui, PhD - Postdoctoral Researcher, Department of Biology, Indiana University. See attachment.
~ May 11, 2018 (Friday) at 4pm in 101 BBE - “Towards Treating Batten Disease”, Luke A. Wiley, PhD - Research Assistant Professor, Institute for Vision Research, Department of Ophthalmology & Visual Sciences, University of Iowa. See attachment.
